

Larima Bush Retreat

Home Away From Home

Larima Bush Retreat was converted from one of the original 4 Sleeper Lodges built on Hoedspruit Wildlife Estate. An African safari feel that makes you feel closer to your surroundings. Larima Bush Retreat offers guests close encounters with the game roaming freely between the lodges within the Hoedspruit Wildlife Estate.

Refresh in the private swimming pool overlooking the bushveld with beautiful Marula, Mopani and Knob thorn trees on the property.
